This report may provide information, commentary and discussion of issues relating to the state of the economy and the capital markets. All opinions, projections and estimates constitute the judgment of the author as of the date of the report and are subject to change without notice. Gluskin Sheff + Associates Inc. (together with its affiliates, "Gluskin Sheff") is under no obligation to update this report and readers should therefore assume that Gluskin Sheff will not update any fact, circumstance or opinion contained in this report.

The content of this report is provided for discussion purposes only. Any forward-looking statements or forecasts included in the content are based on assumptions derived from historical results and trends. Actual results may vary from any such statements or forecasts. No reliance should be placed on any such statements or forecasts when making any investment decision, and no investment decisions should be made based on the content of this report.

This report is not intended to provide personal investment advice and it does not take into account the specific investment objectives, financial situation and particular needs of any specific person. Under no circumstances does any information represent a recommendation to buy or sell securities or any other asset, or otherwise constitute investment advice. Investors should seek financial advice regarding the appropriateness of investing in specific securities or financial instruments and implementing investment strategies discussed or recommended in this report.

Gluskin Sheff may own, buy, or sell, on behalf of its clients, securities of issuers that may be discussed in or impacted by this report. As a result, readers should be aware that Gluskin Sheff may have a conflict of interest that could affect the objectivity of this report. Gluskin Sheff portfolio managers may hold different views from those expressed in this report and they are not obligated to follow the investments or strategies recommended by this report.

This report should not be regarded by recipients as a substitute for the exercise of their own judgment and readers are encouraged to seek independent, third-party research on any companies discussed or impacted by this report.

Securities and other financial instruments discussed in this report are not insured and are not deposits or other obligations of any insured depository institution. Investments in general and, derivatives, in particular, involve numerous risks, including, among others, market risk, counterparty default risk and liquidity risk. No security, financial instrument or derivative is suitable for all investors. In some cases, securities and other financial instruments may be difficult to value or sell and reliable information about the value or risks related to the security or financial instrument may be difficult to obtain. Investors should note that income from such securities and other financial instruments, if any, may fluctuate and that the price or value of such securities and instruments may rise or fall and, in some cases, investors may lose their entire principal investment. Past performance is not necessarily indicative of future performance.

Foreign currency rates of exchange may adversely affect the value, price or income of any security or financial instrument mentioned in this report. Investors in such securities and instruments effectively assume currency risk.

Any information relating to the tax status of financial instruments discussed herein is not intended to provide tax advice or to be used by anyone to provide tax advice. Investors are urged to seek tax advice based on their particular circumstances from an independent tax professional.

Individuals identified in this report do not function as research analysts. Under U.S. law, reports prepared by them are not research reports under applicable U.S. rules and regulations.
